KIT AERO

P/N HMF-BG-135-900

MOBILE GROUND POWER UNIT

Categories: Ground Power Unit & Starters, battery chargers, Services and maintenance benches

PRODUCT DESCRIPTION

This device is an external power supply for helicopter maintenance operations and helicopter starting: measurements for diagnostics and tools for maintenances, which require 115VAC or 230VAC main voltage. It allows to conserve board-battery during maintenance. It provide quite large and uninterrupted DC-currents.

TECHNICAL INFORMATION

APPLICABILITY	EC135, EC145, H135, H145

+33 467 455 564
150, Rue Maurice Béjart
34080 Montpellier, FRANCE
